

BEST PLACES TO WORK IN ILLINOIS

LOOKING FOR A GREAT PLACE TO WORK?

Radio Flyer Inc. of Chicago was named the top Best Places to Work in Illinois 2012. A total of 50 companies were honored in the seventh annual recognition program sponsored by the Daily Herald Business Ledger, in partnership with the Illinois State Chamber of Commerce, the Human Resource Management Association of Chicago, the Workforce Boards of Metropolitan Chicago, Best Companies Group, and Choose DuPage.

Radio Flyer, the maker of the iconic red wagons and other children's toys, ranked Number 1 among small to medium sized business with 1-249 employees. The company works to pair its employees — known as Flyers — with the work they most love to do. Flyers provide input as the company works to make constant improvements and create an atmosphere that is as fun to work in as the toys that are created.

Radio Flyer also gives back to the community by offering employees two paid days off for volunteer participation. In addition, the company partners with KaBoom, a charity that builds playgrounds for kids in need.
