On-the-Go Amusement

Tiny Love's Take Along Mobile easily attaches to places where it's typically tricky to hang a toy: playards, strollers, and car seats. The happy spinning characters and zippy tunes will bring smiles wherever your baby happens to be (\$20; toysrus.com).

GO FOR A RIDE

The super-fun Scoot 'N Zoom has special wheels that keep a toddler as young as 18 months in control (\$25; radioflyer.com).

your kid can cruise indoors on a cold day.

There's an App for That!

Find thousands of names, see what's popular, then save your faves with our new app, Baby Names + (\$2; itunes.com).

Three's Company

Your own socks probably disappear into the laundry often enough, so what hope do you have for keeping track of the mini ones your baby wears? Enter 3 Blind Mice, cheery, color-coordinating socks that are sold in sets of three so you always have a spare (\$9.50; orangeandpear.com). We need adult sizes too!
